

EASTLAKE ISLAND CID NPC

COMPANY INFORMATION

VISION, MISSION AND GOALS

Vision for the area:

To ensure that the Eastlake Island CID area becomes a cleaner, safer and better-managed area for both residential property owners, tenants and their visitors.

Mission for the ELICID:

To provide supplementary services to the existing public services supplied by the City of Cape Town and the Marina da Gama Association, such as public safety measures, cleansing services, maintenance of infrastructure, upgrading of the environment, and social services to reinforce our quest for a well-serviced residential area.
