

EASTLAKE ISLAND CITY IMPROVEMENT DISTRICT (CID)

QUARTERLY NEWSLETTER - OCTOBER 2025

Hello Neighbours!

Spring is definitely in the air! It's wonderful to see our new flower beds flourishing, and the public spaces have had their quarterly mow. Your Eastlake CID has been quietly working behind the scenes, and we're thrilled to report that public safety remains our top priority. We've had a peaceful and secure quarter with no incidents to report, which is the best news of all!

As we look ahead, here are a few things to pop into your diary.

You're Invited! Annual General Meeting

Our AGM is your chance to get involved, ask questions, and help shape the future of our beautiful island. We'd love to see you there!

- Date: **Tuesday, 2 December 2025**
- Time: **18:00** (a slightly earlier start as a representative from the CID Branch will be joining us)
- Venue: **San Marina Club House**

At the meeting, you'll have the opportunity to **elect committee members** and **approve the budget** for the coming year. To vote, you'll need to be an **official member of the CID**. The membership application forms and nomination forms are available on our website – click on the “home” button and then “AGM 2025” to find these documents.

All the final documentation for the AGM will be uploaded on the website, including the budget for 2026/2027, by the 7th November 2025.

Join the Committee!

We are looking for more neighbours to **join our well-functioning committee**. It's a great way to contribute to our community and help share the workload. If you're interested, you can find the nomination form on our website.

Community Christmas Box Drive

With the festive season just around the corner, we invite you to join our Christmas Box Drive. You can "**Adopt a Child**" by filling a shoebox with specific items to bring joy to a young child from the Sunrise Educare Centre.

If you'd like to participate, please send an email to info@eastlakeislandcid.co.za or contact Barrie directly at barrie@aims.ac.za for all the details.

Handy Info & Upcoming Events
